President's Message

Before I say anything else I personally want to thank Mike Stein for his outstanding service as President of the USS Magoffin Veterans Association. Working as Mike's VP since the Lexington Reunion has been my pleasure and honor. I would like him to know that he and Doris's friendship have meant a lot to Kay and I. I appreciate his endorsement of me to succeed him as President of the Association. I want to thank everyone of our shipmates at the 2009 reunion in Norfolk for their vote of confidence. Mike and I have changed hats it seems, and he and I will be working together, with our rolls reversed.

I would like to commend Terry Little for the job he has done on the website, and the news letter for these past years. I thank him in advance for his continued efforts with the website. Terry has asked to be relieved of the watch as news letter editor after the July 2009 issue, and I respectfully acknowledge that request. Emmon Rogers has agreed to stand the watch for a period of time. I have no doubt the Emmon will do an exceptional job. I thank him for stepping up when I asked him to do so.

Tom Haglage has again consented to stay on as the Association Secretary. Tom and I have talked at length, and working with him is always a pleasure. Tom has agreed to be the intermediary for the next reunion to be held in Nashville TN in the fall of 2010. I look forward to doing whatever I can, to Help him.

Vice President's Message

Crewmembers, this will be my first effort for the Magoffin Messenger in my new position as vice president of our association.

I would first like to express appreciation to Jim and Kay Earven for all of their efforts in making the Norfolk reunion such a great experience. If you haven't checked out the photos from the reunion yet, please go to our website and experience all the great events and places that the attendees experienced.

Most of you by now should have received the new membership cards and I want to express thanks on behalf of the entire membership to both Sam Rubin and Mac Christy for all of their hard work in making the new cards a reality for all the crew.

Since elected President of our association at the Lexington reunion, I have had the support of a great board of directors who have worked tirelessly on behalf of the membership. I want to express my appreciation to all of them for their participation as board members.

Jim Earven has been a great asset in his role as vice president, and was an excellent choice in his election to the office of the president of the association.

I will never be able to express my appreciation properly to

President's Message continued

The posting of the minutes of the crew meeting, and the financial report in another portion of this news letter will cover everything, but there are a some issues I would like to address here. A motion was made and seconded to raise the annual dues for the Association to \$20. A discussion was held and points made both pro and con. When the vote was called for, it passed with a majority. I appreciate the fact that in hard economic times doubling the dues seems a little drastic, but as Terry Little pointed out, just the publication and mailing of the news letter cost more than \$6.00 of the \$10.00 we now pay in dues. I hope this increase is not going to alienate any of you shipmates. As one crew member at the meeting said "Hell you can't belong to any organization for ten bucks a year". The dues increase is slated to take effect when the amounts you have already paid expire. Some members are paid-up thru 2013 I think, and that is when the new amount will go into effect for them.

During the social time at the Banquet on Saturday night, one of the members approached me with an idea to waive dues, and grant life membership to all members who have and will reach their 90th birthday. I personally like this idea. I would even lean toward dropping the age to include, say 85. I will leave that idea up to the membership to decide. If I receive a very large response from you, the membership, and the officers and board of director concur, it might be able to be enacted. If you think it should be handled at the next crew meeting, so be it. I would like for you to think about it, and contact me, either pro or con.

The last issue I would like to discuss is the Assistance fund. I know that this has been a sore subject, and that some are totally against this program. The association helped one of our crew members at Norfolk, and after seeing the pleasure it brought that individual, I would say it works. We have put a cap on the amount to be designated for the assistance fund, and any monies from the raffle will be used to recoup amounts spent, and the rest will go to the scholarship fund as before.

Continued next column

With the comps we can negotiate with hotels and tour people, the cost to the Association, can be held down drastically.

The USS Magoffin ship's store keeper, Ray Furlow has done a great job. He has expanded the selection, and negotiated prices like the money was coming out of his personal beer fund. "Well done Ray". He takes the job seriously, and it defiantly shows.

A very special Thank You goes out to Sheryl Furlow, Betty Jo Taylor, Cyndi Duncan, and my wife Kay for taking the bit in their mouth and running with the raffle. I was informed by a learned individual the the method we use is called a Chinese auction. Anyway, our ladies did an outstanding job, and everyone seemed to have a great time. I have posted the duty roster, and informed Sheryl that she has the job.

Kay and I want to thank everyone who attended the Reunion in Norfolk. By all accounts everyone had a good time. There were a couple of little glitches to contend with, but we got thru it in high fashion. Our thanks to the Doubletree, Phillips Tours, and the Norfolk tourist bureau for all their work.

I look forward to hearing from each of you as we move forward, and hope to see you face to face in Nashville.

I hope you have favoring winds, smooth seas, and Gods blessing. God bless our troops, and God Bless America.

Kenneth M. Duttarer, 79, of Parrish, Fla., formerly of Manito, died Sunday, June 14, 2009, in Bradenton, Fla.

Ken was born April 2, 1930, in Peoria, to Louis Christian and Lela May (Conley) Duttarer.

He married Naomi Virginia Kochendorfer on June 14, 1953, in Bartonville. She survives.

Also surviving are two daughters, Pamela (Robert) Dalcher, Patricia (Thomas) Tingle and one son, Daniel (Kathleen) Duttarer, nine grandchildren; one great-grandchild; one sister, Shirley (Charles) Melton; and many nieces and nephews.

He was preceded in death by his parents; one daughter, Gail (David) Lenart; and two brothers, Jack and Tom Duttarer.

He served in the U.S. Navy from 1951 to 1954.

Duttarer worked as a laborer in the steel mill at Keystone Steel & Wire Co. for 28 1/2 years until he was medically retired.

He was a charter member of Our Savior Lutheran Church and attended there until he moved to Florida, where he attended Trinity Lutheran Church.

He loved being with family and friends, who will all deeply miss him. Trips to attend his Navy reunions were a great source of joy for him. He always enjoyed anything to do with cars and tools and was a very talented, self-taught woodworker.

A memorial service was held Wednesday, July 8, at 10:30 a.m. at Our Savior Lutheran Church, 2223 Sheridan Road. Interment of his ashes will be at Swan Lake Cemetery in Peoria.

Memorials may be made to Trinity Lutheran Church, 2200 26th Avenue W. Bradenton, FL 34205

Mrs. Duttarer sent the following in a note - *"We were very sorry that we had not been able to get to your Navy reunion as Ken had many health concerns for the past years.*

He looked forward to receiving your news letter and your website-seeing the pictures and remembering old times & good fellowships of younger days.

Ken was totally permanently disabled after being in an oxygen explosion at work in Nov. 1974 and I and the family feel that Ken's faith & love kept him with us. He passed away on our 56th anniversary.

*May God keep all of you in His Care.
Virginia Duttarer*

IMPORTANT REMINDER

If you are sending a check or money order to renew your membership or to order from the ship's store, be sure to make it out to **USS Magoffin Association**.

This will make depositing checks and accounting for funds much easier for two hard working shipmates - Joe Beninato and Ray Furlow.

Thanks for your help

USS Magoffin APA-199
14th Reunion – Norfolk, VA.
Crew Meeting Minutes 20th May, 2009

At 0808 President Stein called the meeting to order and lead the pledge of allegiance to the flag. VP Jim Earven then said the invocation. Honors were then rendered to those shipmates who have passed away since the last reunion. Those shipmates are:

Curry, Bernard Louis	52-56
DeWitt, James E.	53-55
Eldridge, George J.	50-51
Gallo, James E.	
Kanatzar, John E.	51
Porter, Larry M.	63-65
Shininger, Jack B.	66-68
Taylor, Jim	58-60

Sec. Tom Haglage then read the minutes of the last crew meeting in Colorado Springs, CO. The minutes were approved as read by the members present. In the absence of the Association treasurer, the financial report was given by VP Earven. Approved as read by the membership.

Old Business

Pres. Stein acknowledged the efforts of Sam Rubin and Mac Christy to get the new permanent ID cards into the hands of the membership. Association officers and directors were then recognized. Stein then informed the members present concerning an attempt to update the Association by-laws. A select committee had put a great deal of effort into revising the by-laws to reflect changes in both technology and the structure of our scholarship fund. After much discussion by the Officers and Board at a private meeting, the effort was rejected by majority vote.

Stein then recognized Terry Little for his efforts getting out the newsletter, and also for maintaining the website. Little then informed the membership that he was stepping down as editor of the newsletter and offered his assistance to anyone who wished to take on that task. Shipmate Ray Furlow was then recognized for the work he has done stocking and maintaining the Ship's Store with new items. He, Furlow, told the members present about ordering and shipping procedures.

Stein then opened the meeting to proposals for the next reunion in the Central Time Zone. Tom Haglage suggested Nashville, TN as the next reunion site and gave a presentation of many of the attractions there. There were no other proposals and after a short discussion, VP Earven made a motion that Nashville be the location of our next reunion in the fall of 2010. Motion seconded and approved by the members present.

President Stein then informed the membership that he was stepping down and asked for nominations to take his position. T. Little nominated VP Jim Earven; seconded and approved by the membership. Nominations were requested for the now vacant VP position and Jim Earven nominated Ray Furlow who immediately refused the nomination. Mike Stein was then nominated for the VP slot. Seconded and approved by the membership. Stein then asked new members and first-time reunion attendees to stand and introduce themselves. Stein then opened the meeting to discussion of any topic of interest to the Association.

New Business

Shipmate Riseley spoke of VA benefits for veterans of radiation exposure. Shipmate Youngs then spoke of our low annual dues and suggested that they be increased to \$20 per year. An in-depth discussion transpired on that topic as well as how to reach shipmates who don't know about the Association. Youngs then made a motion that the annual dues be raised to \$20, to be effective immediately. A counter proposal was made from the floor to raise the dues to only \$15. A vote was taken First on the \$20 proposal and it was approved by a slight majority of the members present. Shipmate Duncan then suggested that we explain to ALL members via newsletter why it was necessary to raise the dues.

Stein then explained the details of the website to the members present and the vital role Terry Little has played in it's scope and operation. Stein explained that the website IS Terry Little's and that the expenses incurred by him (Little) to maintain the site are his gift to the Association.

Shipmate Rubeling opened a discussion of our reunion notices in the Legion and VFW magazines and a response was provided by Jim Earven.

Stein then recognized LG Duncan and he (Duncan) made a motion to salute the efforts of the webmaster, officers and directors of the Association. Motion seconded and unanimously approved by the members present. There being no further business a motion was made by Jim Earven to adjourn. Seconded and approved; meeting adjourned at 0911.

Respectfully Submitted,

Tom Haglage, Secy.
USS Magoffin Veterans Assoc.

A message from the Newsletter Editor

This is my 22th edition of the "*Magoffin Messenger*" and my last. It has been a pleasure to hear from shipmates with their stories and a sadness to have to publish each month's "*Taps*". I truly enjoy having heard from so many of you and receiving your many compliments and good wishes.

Doing the newsletter requires about 3 days of work. This includes collecting all of the materials, formatting them, and entering them in to "*Publisher*". Then print the final copy, have it duplicated and folded, create the labels, tape them closed, apply a stamp and a label to each copy and take them to the Post Office. In other words, it's a lot of work. I know that giving 12 days a year doesn't seem like much but *Messenger* is only one of a number of civic and volunteer duties that I have to attend to.

Fortunately, for the membership, a very good man is taking my place. Emmon Rogers will start his journey as the editor with the Fall issue. I am confident that he will keep the same standards (and probably improve them) that Sam Rubin set and I have tried to continue.

Thanks to all of my shipmates for your support. - Terry Little

P.S. I will continue in my dual roles of Webmaster and Historian. If you have stores, pictures or other information contact me at webguy@ussmagoffin.org or 1914 Irvin Cobb Road, Murray, KY 42071

Re: A Marine needs feedback

I have found one Navy electrician who was on board during this time frame and he confirms everything I said about the incidents that took place "before and during the Gulf of Tonkin incident" in August 1964. Even your own Web page Ships History does not talk about this. So that is the period I need personnel to talk to.

We all know why the records were skewed and unwritten due to the sensitivity of the situation. I am not trying to change history but get ships personnel as well as several Marines informed on what took place with the spraying by some type of Bio-Chemical just days before. Myself and 2/3 of personnel that were on deck that day were sick the next day having blisters, fever, nausea etc, and to this day the blisters re-occur, I have had cancer, heart & lung issues as well diabetes.

So it's essential I can network with these guys to inform the rest and prove to the VA what took place.

Any help will be appreciated.

The cease fire in Korea. I can not remember this sailor's name but he was from my home town Monterey California and he stood a after steering watch. I guess that is why I remember your ship's name and number. That was one of the few times I made out in the Corp his Chief and my Gunny Sgt. let me stand his watch with him so I didn't have to go over on the beach and play John Wayne and get my field gear all dirty. All I can remember about your shipmate is that he got killed in a car wreck right after we both got out of the service.

the two board members who do the "heavy lifting" month after month, year after year to keep the membership in shape financially as well as connectively. I am of course referring to our treasurer, Joe Beninato, and editor & webmaster, Terry Little. 4.0, shipmates much appreciated.

During my term as president, I am most proud of all our efforts in securing a permanent process for funding of the USS Magoffin Scholarship at Magoffin County High School. Due to the efforts of our secretary, Tom Haglage, we now have in place the USS Magoffin Veteran's Memorial Scholarship Fund at Morehead State University. Tom, on behalf of the crew our thanks and "well done" shipmate.

I look forward to seeing my shipmates at our next reunion.
